

be it **RESOLVED**

RESOLUTION ON CREATION AND EVOLUTION

WHEREAS, the Bible says that in “six days the LORD made heaven and earth, the sea, and all that in them is, and rested the seventh day: wherefore the LORD blessed the Sabbath day, and hallowed it” (Exod 20:11); and

WHEREAS, the theory of evolution holds that the universe including the earth with all its life evolved over billions of years; and

WHEREAS, science is “systematized knowledge derived from observation, study, and experimentation carried on in order to determine the nature of principles of what is being studied” (Webster’s New World Dictionary); and

WHEREAS, the theory of evolution is not properly science but a philosophy bordering on religion that requires faith, since it is impossible to observe it happening over billions of years and no complete experimentation can be carried out on it during that time; and

WHEREAS, the theory of evolution undermines the doctrine of sin and salvation, since evolution requires death for the survival of the fittest before man ever existed, whereas the Bible states that death did not exist until man sinned (Rom 5:12); and

WHEREAS, certain ungodly philosophies are based upon evolution such as Communism, Nazism, certain forms of racism, and is a foundation for many forms of immorality;

THEREFORE, BE IT RESOLVED that we the delegates and members of the Ohio Bible Fellowship at its 2010 Fall Conference in Bellevue and Willard, Ohio, identify the theory of evolution as one of the great errors and heresies of our age that has led to all manner of sins; and

BE IT FURTHER RESOLVED that we believe that the Lord created the universe out of nothing in six standard earth days, not more than ten thousand years ago in keeping with a literal biblical chronology; and

BE IT FINALLY RESOLVED that we will stand against the theory of evolution and its resulting errors in our teaching and preaching and teach young earth creation according to a literal reading of the Bible.
